

G'day to you all - happenings from George Town on Show

November
2007
Issue 23

The following has been sent to the Wanderer for insertion ASAP.

November 21st saw our Chapter sponsor the motor home rally which has become an annual event as part of the George Town on Show Festival.

The weather was as we had ordered it – full sunshine over the five day period. Wednesday night saw some 33 Dalrymple Members attend their Annual Dinner at the Bass & Flinders Centre –a great night with so much food!!

This year we saw some 70 motor homes move onto Regent Square, the same venue for the 2008 Tassie CCR. Great support for the Blue Gum Rovers and Van Demons Chapters , plus a sprinkling from the Island Wanderers. A good number of “boat people” from “across the Creek” also joined us – 21 rigs to be exact. Road Runners, Riverlanders, some Queenslanders and others. It was great to see them all end up in GT and join in the many festivities. The local RSL and other establishments certainly benefited from their attendance in town.

Some 30 members took the chance to visit the Bass & Flinders Centre for a conducted tour and also check out the water based events at the Bass & Flinders Boat Festival held in conjunction with George Town on Show.

The Annual Christmas Parade on Sunday again saw a number of motor homes parading with representation from the Chapters proudly representing them. The crew was led by Barbara M from the Dalrymple Drifters carrying Tassie Dalrymple our mascot.

Entertainment provided by Glen Nicholas on Saturday night, was very much appreciated and Mother Claus with her associate Father Christmas entertained at our Happy Hour on Sunday. Disc bowls was hotly contested by a number of teams with a number of Drifters developing their newly found skills for the game. Sounds like February could be a good Competition. Thanks Blue Gum Rovers for your support in this area

We must remind members coming to the Tassie CCR in Feb 2008 that bookings are required as we have limited space available. Booking in sheets can be obtained from our web site www.dalrympledifters.org or from our Secretary Jacqueline at 03 63 273972.

Finally a big thank you to all those whom participated in this wonderful gathering –your attendance and support was very much appreciated.

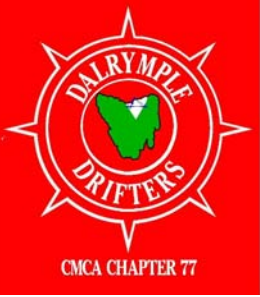

Mrs. Claus smothering someone!!

Member's Market - Wendy Dawson

2008 CCR update

I seem to be loosing momentum with this one—but no doubt now the GT on Show rally is over we will get down to business. Barry & Norm firmed up on some measurements on the ground last rally and a decision has been made re more water points.

The ground layout should be available for discussion at Bellingham along with a plan of the new Memorial Hall complex which we have booked in total.

Meetings are scheduled in mid December with the Emergency Services Sub Committee and the GT Rally Committee. (Council & Chamber of Commerce)

New owners!!

Packing up or mucking up!!

2007 Annual Dinner

32 members of the Dalrymple Drifters attended their second Annual Dinner at the Bass & Flinders Centre and enjoyed a well presented meal. Thank you to those who travelled down to GT Wednesday night to attend - your participation was appreciated.
