

G'day to you all - happenings from Perth

January
2008
Issue 25

The following has been sent to the Wanderer for insertion ASAP.

January 2008 saw the Chapter gather at members Danny & Rhonda's place at Perth just south of Launceston with 25 motor homes in attendance. A great venue (down by the dam) and no doubt a location that will come up again for a future rally. Thank you to Danny & Rhonda for getting all together for us.

Saturday morning was taken up with meetings re the fine tuning for the forthcoming Tassie CCR which we, as a Chapter are sponsoring in February at George Town. Good discussion occurred with some changes requested by members.

The dam (on the property) provided us with an opportunity to hold a fishing competition but alas, no fish, plenty of fun and some wet clothes (due to the rain which was welcomed). Some small perch were caught in the yabbie nets.

Danny provided two erected shelters and the Chapters third shelter provided protection from both the sun and rain. Saturday night saw us enjoy a meal provided by the Kelly family (children, bother & sister in laws - you name it they were there) Thank you to Rhonda and other members for providing the sweets.

Amongst our attendance were a couple of members from the Island Wanderers (Michael & Michele - great to see you again) from the BGR's (Wendy & Graeme) and Van Demons (Barry & Kaye). Also had some locals from Launceston (Geoff & Elaine). On Saturday our newest Chapter members (Brain & Jean McDonnell) were welcomed to the fold. Another new couple Sue & Greg Amos were unable to attend and we look forward to catching up with them at George Town

On a sad note, this rally was the last (for a while) for Lyn & Glen Nichols who are "going on the road" so to speak and travelling north for a while. They have both been wonderful members and Glen has provided us with entertainment since they joined us in May 2006 - a small presentation was made and we wish them all the best-safe travel and we look forward to your return sometime in the future.
- regards Don M President

A familiar site—Glen giving us a tune - safe travels mate.

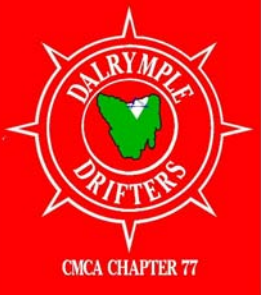

Is this what you call - "the laying on of hands". Danny giving Deb a bit of a touch up after a bad nights sleep.

Not sure what Rhonda is describing to Sec Jacqueline-but it certainly wasn't the size of a fish caught!!

2008 Future Rallies

Yes you guessed it!!

Our next rally is at George Town - hope to see all DD's on site on Monday 18th February 2008. if available.

Thank you all for your support and commitment to this rally, we can make it work I'm sure.

Next generic rally March 2008

7th to 9th March 2008 is at Myrtle Park with hosts Albert & Dallis. Monday 10/3 is a long weekend. Rally costs \$12.00 per rig - does not include Sunday night if staying (additional \$6) No Power, Showers (recently installed) Toilets

Please make sure you have sufficient water with you
