## A new venue and some new hosts.

September 2009 saw the Chapter rollup to a new venue on the West Tamar - Beaconsfield. That's right the renowned mine cave in location just before Anzac Day a few years ago.

This weekend rally was hosted by Greg & Sue Amos both of whom are heavy involved in community activities on the East & West Tamar,. Greg a Vietnam Veteran is involved in the local RSL administration and the West Tamar Lions Club whilst Sue turns her hand to the local Tamar FM radio station in George Town as an announcer.

11 rigs braved the weather (reasonably good but a little windy – with a gale warning on Saturday night) with 2 members as day visitors on the Saturday.

It was great to see Rosemary & Reg. Rosemary has been unwell for some time and came along hopefully to enjoy the atmosphere, great to see you again and all the best for your recovery. Danny & Rhonda Kelly also visited during Saturday. Danny has also been unwell and currently having treatment, hang in there Danny as we know you will, summer is nearly on us and some warm weather after the completion of treatment should see him back on the circuit.

Doug Lyons another member who has been unwell braved the winds, welcome back Doug after a short absence.

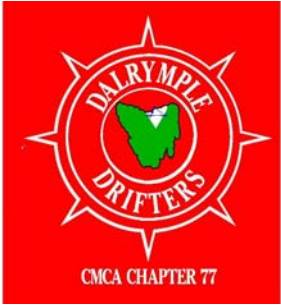

Greg & Sue (our hosts) certainly had things arranged. Some members went top the Beaconsfield Mine Museum, some just strolled around the streets, stopped off at the pub, played disc bowls and generally had a good time.

Saturday nights meal was provided by the Mini League with the West Tamar Lions Club conducting a quiz night - could have put some questions in on the East Tamar, might have given some of us a few more point.

Good times at Happy Hour on Friday & Saturday with a good attendance at our General meeting on Sunday morning before all heading home around mid morning. Thank you to Greg & Sue for hosting the September gathering
