

Cash's venue - Penguin NW Coast.

October 2009 and some better weather saw the Drifters rally at penguin on the NW Coast. A venue that proved popular in 2008 and apparently similarly in 2009.

This weekend rally was hosted by Greg & Sue Cash who hosted the same rally last year. 2008 saw our members patronize the local restaurant but from feed back this year the costs had rising and or was booked out.

So Sue suggested that they do a “fish & chip” run into Penguin—the site is a short distance out of town. This worked extremely well with most of the members dining on fish and chips for the evening meal.

It was unfortunate that a number of us could not get along for a variety of reasons. From reports, I believe our two BGR members who frequently support our Chapter turned up plus a couple of other visitors. Thank you Greg C for delivering the Chapter trailer to me at George Town—it was appreciated.

Thank you to Greg & Sue Amos for sending the four photos below of the rally—Obviously disk bowls went of well.

The price will be similar to that of last year. Bar facilities on site at the dinner. \$25 per head.

From an indication at the Beaconsfield General meeting it appeared that the majority of members (at that meeting) would be attending the dinner. At this stage we have approx 24 booked in.

Vale - Jan Brown

It is with some degree of sadness that we note the passing of one of our Chapter Members, Janice Brown, wife of Michael.

Our sincere sympathies go to Michael & their immediate family. An unexpected passing is obviously very dramatic and difficult to understand and accept.

Jan will be remembered as one who was very good with her hands, her ability to turn cloth into excellent pieces of craft work has been observed by our members on more than one occasion.

What does one say, when something like this occurs.

Our support goes out to Michael.

Rest In Peace Jan.

Hillwood Rally December

Will have some details to hand out at the George Town Rally.

Hillwood as an excellent Fish & Chips shop just up from the recreational ground where the rally is being held.

No doubt as occurred at penguin, this is a great way to support the local Hillwood shop so how about us doing the same at Hillwood.

I will arrange to have some of their menus available for those attending to peruse.

Our collective best wishes go out to all of our Chapter Members who are not as well as they could be at the present moment. We hope to see you fit and well in the near future and back enjoying yourselves.
