

“Where East
Meets West”

Dalrymple Drifters “Communiqué”

Hi everyone from Upper Blessington Nov 2008

What a great weekend rally-the first as “hosts” for Sharon & Jim. Whilst the weather was not with us on the Friday night (unfortunately a couple of damaged awnings) -Des Friday and Danny Saturday from all reports the rest of the weekend was magic.

We started off with a quiz on the Friday night after a DD’s BBQ tea which all enjoyed. The normal frivolities occurred during the quiz with some challenges being thrown around!! - what’s changed. Can’t mention the name of the winning team - I might get caught out for what ever - you know what!! Unfortunately Sue & I had to leave on Saturday morning, but from all reports Deb, Sharon & Jim (supported by Glenn) provided a wonderful time. We got back around 10.45pm and some were still up chewing the fat.

Some great music from Glenn with Deb singing a couple as well, and a number of birthdays also celebrated.

Whoops I forgot Jennie with the balloon demo - poor Kevin was not that impressed cleaning up after - but far less impressed when he found one of the balloons have burst in a cupboard in their rig and showered the area with the same ingredients that occurred in the hall.

The food (meats etc) prepared by Jim & Sharon went down well (no pun intended) with members providing support with salads and sweets – pity Sue & I were not there to enjoy it. Had 18 rigs in attendance, in all a great time -Sue A, I will make sure the disc bowls are there next time!! Also had some new members along-hope they enjoyed the rally as much as we enjoyed having them along. Well, done Sharon & Jim - a top effort.

Don’t forget George Town and our Annual Dinner on 10th Dec. You can get onto the Square by around 10am. We will need some “parkers” so if available please turn up early. AGM on Saturday 13th at 9am. Regards Don M

Numbers for dinner required ASAP re catering
